EXHIBIT "B"

As shown on the Deed of Correction, the original filing for a portion of Claim #611 of the Final Decree, the United States of America, Plaintiff, vs Orr Water Ditch Company, et al, Defendants in the District Court of the United States in and for the District of Nevada in Equity, Docket No. A-3, was in error.

The filing of this map, application and Deed of Correction is to clear that error on said Claim #611, Application No. 24142, Certificate 6973, in Certificate Record Book No. 21, at Page 6973. The error took place on the 83.19 acres as shown on the map. So we are changing the acre feet from 327.6 to the correct amount of 332.76 acre feet. This was only a typographical error; 332.76 is correct, the amount typed was 327.6, the decimal place was moved over by one space and not caught in our office before the original filing.
